I understand that I am requesting to be excluded from the class monetary settlement and that I will receive no money from the settlement entered into by Motel 6. I understand that if I am excluded from the class monetary settlement, I may bring a timely separate legal action seeking damages, but may receive less than what I would have received if I had filed a claim under the class monetary settlement procedure in this case, including possibly receiving nothing. I also understand that I may not seek exclusion from the class for injunctive relief and that I am bound by the injunctive provisions of the Agreement entered into by Motel 6.
